"Art, Courage & Creativity"

THE ORIGINAL WORKSHOP with Karen Leeds

This is a full 1 Day version of the original workshop, for adults who want to express themselves artistically, but who feel unsure of their natural abilities. Oil pastels and paper are used to identify and overcome the inhibitions that limit people in a playful and relaxed setting. All materials are provided. Bring an apron or old clothes. This is a relaxing and fun hands-on opportunity to explore our feelings through the world of color, and to see how that experience can enrich other aspects of our lives.

Besides being excellent for novices, this one day workshop is also suitable for experienced artists who desire more freedom in abstract expressionism – and it also provides a light-hearted way to get back into the groove of creativity if one has been absent for a long period of time.

BRIO Fine Arts is a wonderful center located on Raintree Drive in the Scottsdale Airpark, easily accessible from the 101 Loop. Check out their other workshop offerings!
