COURSE DESCRIPTION

"Art, Courage & Creativity"

THE ORIGINAL WORKSHOP with Karen Leeds

These sessions take place in Karen's studio in No. Scottsdale surrounded by the beauty of the Sonoran desert. They last 2-3 hours and are appropriate for adults who feel unsure of their natural abilities. Oil pastels and paper are used to identify and overcome the inhibitions that limit people in a playful and relaxed setting. All materials are provided. All attendees need is an apron or old clothes. This is a relaxing, hands-on opportunity to explore your feelings through color, and to see how that experience can enrich other aspects of your life. Karen participates right along side with the students. Attendees take away art work suitable for framing. This workshop is appropriate for both beginners as well as experienced artists who want to get more comfortable with abstract techniques.
